The 300-mile wide typhoon is estimated to have killed up to 10,000 people. Coastal villages have been swept away leaving hundreds of thousands displaced and roads choked with debris. Urgent assistance is needed to support the immediate needs of those affected.

## Be part of the Jewish community's response - Support WJR's appeal today

World Jewish Relief, the primary humanitarian aid agency of the UK Jewish community, has launched an emergency appeal, to provide immediate assistance.

**With approximately 9.5 million people affected so far, help is urgently required to support those in the worst areas of devastation and provide access to vital resources.**

Your donation could help provide:

- Emergency food and clean water
- Temporary shelter
- Medical care

We work with partners who can guarantee the security of funds raised and ensure that assistance is delivered to those who desperately need it.

WJR is proud to operate within and beyond the needs of its own Jewish community and fulfil the tenet of *Tikkun Olam* – Healing the World.

Donations to this, and all of WJR's emergency appeals, are ring-fenced specifically to assist those individuals affected by the disaster and are separate from funds raised in support of WJR's traditional activities.

**For more information, or to make a donation:**
